## **Item 9 - Other Events**

On 28 August 2019, the ABS-CBN News Channel ("ANC") reported in its news programs that the net income of Pilipinas Shell Petroleum Corporation (the "Corporation") for the first half of 2019 was PHP1.4bn or 55% lower vs first half 2018. We wish to clarify that the first half net income of the Corporation was P3.7 billion or PHP2.3 billion higher than the net income reported by ANC. In addition, the Corporation's first half net income is already at ~70% of its full year 2018 earnings. This was against the backdrop of depressed regional refining margins which the Corporation was able to temper through the strong delivery of its marketing businesses and cost and operational efficiencies implemented in the refinery.

ANC has rectified the information in its newscasts on 30 August 2019.

### **SIGNATURES**
